

ONYX Product Family

Multi Function Punch and Binding Equipment

The ONYX range of punch and binding equipment offers you improved Quietised Die Technology, which reduces the noise level of the range by over 25%. In addition, new design and manufacturing ensures that 98% of the product is recyclable, making them the leading ECO-friendly systems available on the market today.

PDC are providing the Rhin-O-Tuff three year warranty for all products supplied from the new ONYX range.

ONYX 3-in-1 PPS

Make your ONYX HD Punch twice as productive by getting the new APES & PAL SEMI-AUTOMATIC modules! It punches, ejects and stacks in one continuous operation. In our initial tests, the Pics-A-Lift / APES-14 combo has outperformed many of the fully automatic punches and has done so at less than one-half of their initial cost.
