

Velobind System 3 Pro-(12 Prong)

Velobind Punches

Binding doesn't get any simpler! The VeloBind System 3 Pro is a high volume, high capacity strip binding machine.

This heavy duty system easily punches and binds large documents. The pressure bar simply lifts up and returns to indicate when binding is complete and is adjustable for faster turnaround on smaller presentations. Punch more efficiently with your choice of push button, punch-sensor or foot pedal operation. There is also an option to automatically debind documents if needed. This machine can bind securely documents up to 750 sheets

Features and Benefits

- **High Capacity:** Binds up to 750 sheets (80gsm)
- **Binding cycle:** 8 seconds or less (for documents under 1")
- **Extra large drawer:** For paper chips and pin debris
- **Precision:** Adjustable paper alignment guide
- **Twin motors:** Allows simultaneous punching and binding
- **De-bind facility:** For adding or removing pages
- **Electric Punching Throat:** Punch up to 26 sheets of 80gsm paper in a single lift
- **Special dual blade system:** Ensures a hot blade is always at the right temperature to cut the pins
- **Dual Punching Controls:** Hands-free foot pedal or push button allows you to choose your preferred punching method
- **An optional document bind counter:** To monitor throughput
- **Binds A4 or A5 documents**
- **Binding cycle:** 10-18 seconds (for documents over 1")

Technical Specification

Dimensions	564 (w) x 343 (h) x 457 (d) mm
Weight	38.701kg
Power Requirements	230v 50Hz
Safety Approvals	TUV / CE
Operation	Electric punch/Electric bind
Suggested Binding Capacity	3" (75mm)
Maximum Sheet Width	355mm
Binding Time	8 seconds
Punch Cycle Speed	1 - 2 seconds
Operator Punch Controls	Push button or micro switch
Bind Cycle Speed	8 seconds
De Bind Facility	Automatic (20 seconds)
