

ONYX HD8000 356mm Wire Closer

Wire Closers

The **HD8000 wire binding closer** offers an industry unique 356mm wide closing throat and will close wire sizes from 5mm to 32mm (3/16 inch to 1-1/4 inch) thick. Supplied with a heavy duty wire hanger allowing wires to be loaded with punched paper quickly and simply.

Wire size set up for the HD8000 Wire Binding Closer is fast and accurate, ensuring time and wastage is minimised and accurate wire closing is achieved every time. As with all Onyx binding modules, the HD8000 Wire Binding Closer can be attached to the top of your chosen Onyx punching unit or used as a standalone closer. Either way this highly robust wire closer will give you years of good service.

 More than **98%** recyclable
