

# PDC Coilmac Electric Punch & Bind 4:1 Oval

## Low Volume Coil Punches

The PDC Coilmac EP1 is a multi featured entry level electric Coil punch and electric Coil inserter. The Coilmac EP1 will electrically punch your document quickly and simply.

When inserting the Coil, the high friction integral rollers will make it quick and simple to insert all Coil diameters up to 20mm diameter. Once your Coil is inserted simply cut and crimp each end of the Coil using the supplied crimping pliers.

## Features and Benefits

- **All Electric Operation:** Powerful punching & inserting capability with a simple press of foot pedal.
- **Extended Single Punching Length (13''):** With open ends & continuous punch guide to easily punch documents of any length (up to 26'').
- **High Volume Punch Capacity:** Suggested up to 25-sheet for 20 lbs paper, or 2.6mm (28-sheet equivalent) for hardboard\*, in 13'' length (53 holes).
- **Super Strength Punch Mechanism with exclusive "Precision Guiding System™" Blade Set:** Cast-hardened & heat-treated steel dies provide superior strength & hardness. Exclusive "precision guiding system" guarantees a sharp & clean perforation everytime.
- **Electric Reverse (Anti-Jam) Function:** For trouble-free punching.
- **Full Length Heavy-Duty Electric Coil Inserter with Double Roller Mechanism:** 11-3/8'' EPDM roller provides high friction and durability, making this inserter one of the easiest-to-use & most durable. Front-mounted roller position gives operator greater control & improves efficiency. Foot-pedal operated. Plastic & Metal coil compatible.
- **Industrial-Grade Roller Motor:** Heavy-Duty motor (3 times heavier-duty than other similar machines in its class).
- **U-shaped Alignment Channel:** Assists the operator to properly shape the document's spine, for faster & easier coil insertion.
- **Side Margin Control:** Provides an evenly centered punch for all document sizes.
- **Punching Margin Control:** Provides the correct punch-margin-depth for each coil size and maximizes the document's tear resistance.
- **Open Throat and Continuous Punch Guide:** For an easy alignment and punching of longer documents up to 26''.
- **Rugged ALL Metal Construction:** Makes it the most reliable & durable coil binding system in its class.
- **Extra-High-Capacity Waste Drawer**
- **6 Height-Adjustable Non-Skid Metal Feet**
- **CE Certification:** All components certified & approved by CE for most stringent safety requirements.
- **Includes:** Coil Diameter Selector & Premium Oval Coil Crimpers

## Technical Specification

Weight	34 Kgs
Pitch	Letter 4:1 (0.248'')
Operation	Punching - Electric Inserting - Electric
Single Punch Capacity	Up to 25 sheets for 20 lbs paper. Up to 2.6mm for hardboard (28-sheet equivalent thickness)*
Suggested Binding Capacity	Up to 1'' (electric) Up to 2'' (manual)
Single Punch Length	13'' (54 holes)
Hole Size	Oval (4mm x 5mm)
Disengagable Pins	All 54
Warranty	1 Year
