

JB I Alpha-Doc Mk4

Auto Punching Equipment

The Alpha-Doc® MK4 automatic punch will give you the extra mile you need to enhance your productivity. This remarkably user-friendly, high productivity machine offers hands-free punching of pre-collated documents up to 14" wide. With an easy-to-use digital touch panel, 110v power and heavy-duty casters, this powerhouse unit can be set up in minutes and is capable of producing up to 95,000+ punched sheets per hour.

Features and Benefits

- **High Productivity:** With its new top speed of 90 cycles / minute and the large capacity of the high pile feeder and reception trays (6 reams of paper), the Alpha-Doc® MK4 has a cycle speed of up to 95,000 sheets per hour without the constant presence of the operator being required.
- **Versatility:** The Alpha-Doc® MK4 can punch a wide variety of paper stock and covers including tab cut sheets and wall calendars with thumbcut, in virtually any size from 5.4" x 5.4" up to 14" x 13".
- **Easy-to-Use:** Just load the tray and push a button, no special training is required.
- **Simple Formatting:** Just follow the instructions on the conversational touch screen and, with pre-set standard formats, size change-over can be done in less than 2 minutes.
- **Heavy-Duty Steel Dies:** Guide posts for perfect alignment, quick pin access, and flanged holes to help clear out waste and add longer life.
- **Punch Die Patterns:** 3:1 & 2:1 Wire-O®; 4:1 plastic coil; plastic comb; VeloBind®, 2, 3, & 4-ring binder; and many more.
- **Installation:** Caster wheels make machine placement quick and easy.
