

PBS 2300 All-In-One

Combination roller inserter /
single sided crimper

The PBS 2300 – A combination roller inserter / single sided crimper that is both easy to operate and quick to setup for coil diameters from 6 to 30 mm.

Features

Productivity

- Up to 300 books/hou

Coil Capabilities

- 6mm to 30mm
(1/8" to 1" book thickness)

Binding Edge Capabilities

- No Min / No Ma

Comes Complete with:

- Photo Instruction Manua

Rollers spin continuously

Benefits

- No tools required for basic setup & changeover
- Small and compact, it can fit on any desk or countertop
- Consistent crimping. Uses the same patented crimping technology as Gateway's TCB - Total Cut & Bend
- The front alignment channel curves the book to follow the curve of the coil allowing for easier coil insertion
- Large top surface can be used as a workspace or as a location for a punch machine
- Simple dial adjustment enables you to setup, cut and crimp coil diameters 6 mm to 30 mm in seconds

Tech Specs

- 110v or 220v single phase
- Dimensions
24"W x 17"D x 6.5"H
(61 cm x 43 cm x 17 cm)
- Net eight – 36 lbs. (16 kgs)

Dual spinning rollers provide quick and easy coil insertion.

Gateway's TCB crimp technology – Simple dial adjustment to set up that offers consistent coil crimping.
