

PDC Coilmac Manual Punch & Bind 4:1 Oval

Low Volume Coil Punches

The first entry level Coil Punch that features an oval hole pattern, which makes binding documents of any size quick & simple.

Special 4 x 5mm oval holes. The first & only equipment of its class to offer this advanced feature. Makes coil insertion much faster as compared to standard round holes. When used together with our HD Electric Coil Inserter, it will drastically save your coil insertion time by up to 50%.

Features and Benefits

- **Extended Single Punching Length (13"):** With open ends & continuous punch guide to easily punch documents of any length (up to 26").
- **High Volume Punch Capacity:** Suggested up to 20-sheet* for 20 lbs paper, or 2.6mm (28-sheet equivalent)** for hardboard, in 13" length (53 holes).
- **Super Strength Punch Mechanism with exclusive "Precision Guiding System™" Blade Set:** Cast-hardened & heat-treated steel dies provide superior strength & hardness. Exclusive "precision guiding system" guarantees a sharp & clean perforation everytime.
- **Full Length Heavy-Duty Electric Coil Inserter with Double Roller Mechanism:** 11-3/8" EPDM roller provides high friction and durability, making this inserter one of the easiest-to-use & most durable. Front-mounted roller position gives operator greater control & improves efficiency. Foot-pedal operated. Plastic & Metal coil compatible.
- **Industrial-Grade Roller Motor:** Heavy-Duty motor (3 times heavier-duty than other similar machines in its class).
- **Side Margin Control:** Provides an evenly centered punch for all document sizes.
- **Punching Margin Control:** Provides the correct punch-margin-depth for each coil size and maximizes the document's tear resistance.
- **Open Throat and Continuous Punch Guide:** For an easy alignment and punching of longer documents up to 26".
- **Rugged ALL Metal Construction:** Makes it the most reliable & durable coil binding system in its class.
- **Large Waste Drawer and Non-Skid Feet**
- **CE Certification:** All components certified & approved by CE for most stringent safety requirements
- **ISO9001 & 14001 Quality:** Manufactured under ISO9001 & 14001 guidelines for highest quality control & environmental management standards.
- **Includes:** Coil Diameter Selector & Premium Oval Coil Crimpers

Technical Specification

Pitch Available:	Letter 4:1 (0.248")
Operation:	Punching - Manual Inserting - Electric (with built-in Heavy-Duty Electric Roller)
Single Punch Capacity:	Up to 20 sheets for 20 lbs paper* Up to 2.6mm for hardboard (28-sheet equivalent thickness)**
Suggested Binding Capacity:	Up to 1" (electric) Up to 2" (manual)
Single Punch Length:	13" (54 holes)
Hole Size:	Oval (4mm x 5mm)
Disengageable Pins:	All 54
Weight & Volume:	52 lbs & 2.8 CbFt
