

POWIS | *fastback*® 9

Professional documents at the touch of a button

Fastback® 20 - fast, versatile, durable tape binding

One Touch Function

The FB20 is the ideal binding machine for all corporations, financial institutions, copy shops, print environments, or education establishments that require professional-looking presentations, yearbooks or bound documents at a fraction of the time required to bind with alternative binding solutions such as coil, comb, or wire. This machine offers unprecedented ease of use with its LCD display that guides the user through each operation using animated illustrations. The Fastback 20 works with all of the Powis binding materials, from the versatile Super Strip to the customised Image Strip to the Perfectback strips for perfect binding books. It can create anything from a simple report to a 350-sheet hard cover book.

Super strong bind

3 different strip widths for binding from 10-350 sheets

Layflat

3.5 times faster than punch-and-bind

Instructional LCD Screen: Binding is as easy as 1 - 2 - 3

Fastback® 20 - Accessorise!

Foilfast™ Printer

Print customised covers in several dazzling colors of foil using the Foilfast® Printer.

Hardcover™ Guide

With the Fastback® Hardcover™ Guide you can easily assemble professional hardcover books in a minute.

Image Strip™

Enhance your company's brand. We can customise strips by printing your Company logo, company colours or motto - let your proposal make an instant impression.

FASTBACK® 9

The Fastback 9 features one-touch binding. Simply put the strip and the book block in the binding machine and press the green button. The user-friendly interface makes choosing the correct strip settings fast and easy.
