

PDC Crimp a coil

Coil Insertion & Crimping

The **PDC Crimp a Coil** is an easy to use electric Coil crimper that cuts & crimps both ends of the Coil at the same time, preventing it from rolling back out of the holes in your document.

The PDC Crimp a Coil's unique design accommodates all Coil sizes from 6mm through to 50mm, without the need to interchange parts. Simple set up can be achieved in seconds

Features and Benefits

- **Coil Size:** Works on the full range of Coils from 6mm through to 50mm.
- **Crimping Width:** Maximum Crimping width is 430mm - minimum 155mm.
- **Fully adjustable crimper heads:** Making the change between sizes simple.
- **Simple 5 step set up:** Means it takes only seconds to move between sizes.
- **Special Coil alignment guides:** Ensure a perfect and consistent cut crimping result every time.
- **Durable:** All Metal Construction.
- **54 Cycles per minute:** Ensuring significantly improved production times.
- **Easy Operation.**

Technical Specification

Dimensions (mm)	254 (H) x 737 (W) x 305 (D)
Weight	23 Kg Shipping 25.13kg
Power Requirements	230v 50/60Hz
Safety Approvals	CE
